Together Towards Progress

“Hopes of tiny feet,
exuberance big and sweet”

BACE English School had a diaphanous beginning on June 2nd 2008 as a precious gift to the villagers, which is governed by DARUSSALAM ISLAMIC ESTABLISHMENT TRUST (DIET) at Vazhakkad. It bagged a pivotal and credible position among the neighbouring English Schools.

BACE English School, an Upper Primary School affiliated to the Govt. of Kerala, has no vested interests to promote fake policies or agendas. So that it stood inviolate in updating a steady and fantabulous educational scheme that enlivened a villager's dream. So BACE is neither an alternative nor a second option, it is the primal choice and privilege of your child.

“ Help me to Do it Myself”

Children are naturally drawn to everyday adult activities. By practicing or preparing for these activities children build independence, self esteem and respect for their surroundings.

“To assist a child we must provide him with an environment which will enable him to develop freely”

KIDS PLANET @ BACE English School provides a range of activities that help the child to grow creatively and freely. The Kindergarten Department is well- equipped with vareity of scheme of work to make learning a plesurable and purposeful experience. This is a special environment to spend time with your child and to share their excitement as they make new discoveries.

ACADEMIC EXCELLENCE AND PERSONAL SUCCESS

■ The School follows a broad and balanced curriculum that caters to the specific needs of children. Emphasis is laid on imparting education by play-way method, child centered and development oriented activities. Our learning experience is supported by extensive audio-visual aids and other innovative methodology.

■ The School has introduced 'Smart Class' to enable multi-sensory learning. The Smart Class Room has been equipped with digitalized resources such as animation, video clips and stimulated models to improve the quality of teaching-learning process.

■ We are so vigilant in deciding our child's future. So that we give an incredible strategy and scheme of work to inculcate moral values.

■ A fully fledged scheme of work is developed to acquire the mastery over English language.

■ Some children, at some stage may require additional support in learning experience and therefore ensuring the provision of remedial coaching to make them able to access the School curriculum by creating an enjoyable and inclusive environment.

OUR FACULTY MEMBERS ARE REAL MENTORS

“ To change the world you need only perceive it in a different light”. Our faculty members are self motivated, innovative, sublime and dedicated to their profession. They are highly skilled and tangible to train the child.

Radical and child-friendly modules are imposed by them for a child's natural growth.

Continuous and Comprehensive monitoring of the faculty members is an effective evaluation tool to assess the transaction between the teacher and the learner. The School Managing Committee is designed regular, planned and focused monitoring twice in a year by a panel of experts. It helps each faculty for self correction.

INTROSPECTING & RELEASING TALENT... SEE IT IN YOUR CHILD...

For a successful completion of bright carrier external exposures are quite essential. BACE provides dazzling self grooming programmes for our students. To boost up their innate talents we provide plenty of opportunities that enable them to use their potential to the fullest.

We assure Sports Meet and Arts Fest in each Academic Year. Our Library and Reading Room give immense of opportunities and excellent atmosphere for your child to develop a voracious reading quality. We create ample experience in General Knowledge and Current Affiars to equip the child to attend any Competitive Test. A special module is designed to promote their Reasoning, Logical and Analytical skill.

Teachers and Parents have opportunities to develop themselves at BACE. Both are given quality improving sessions of versatile geniuses at regular occasions.

LEADING the FUTURE

BACE English School aims to give a child a very good start to their education along with profound moral values and presentation skills. Our goal is to provide qualitative education grounding and prepare the children for developing their extempore skills and also for the challenges that lie ahead as they embark on their journey of lifelong learning. Our School believes in the blossoming of every child into a complete individual in secure, caring, happy and stimulating ambience. Opportunities are provided for every child to discover their innate talents. BACE English School is dedicated to every child's right to be recognized, valued and respected irrespective of their social, financial and religious background.
